The Alliance Française's award-winning camps blend structured learning with fun activities and hands-on experiences to make language acquisition both effective and enjoyable.

Children will discover French through stories and songs, leading to various fun activities such as arts & craft, quizzes, games, treasure hunts in our listed building, and trips to nearby parks.

Teenagers will strengthen key skills while reinforcing essential vocabulary and grammar. Through role-playing, challenges and games, they will develop strong communication skills in a fun and supportive environment. Classes cover aspects of the curriculum of the School Year ahead to start again fully prepared and confident in September. For pupils going into Leaving Cert, sessions will cover essential strategies and techniques for excelling in the French examination, including mock exams to simulate real test conditions.

All camps encourage creativity and cultural exploration, with activities such as podcast creation, storytelling, and interactive projects. Pupils will step outside the classroom (weather permitting!) to discover French culture first-hand through museum visits and local outings, making language learning both immersive and exciting!

Alliance Française Dublin employs and trains the best native French teachers in Ireland. They all are Garda-vetted, qualified, and experienced with minors.

*Please note that Alliance Française Dublin is closed
from Monday 28th July to Friday 1st August inclusive.*
